

June 2019

Dear Parents,

We just want to take a few moments of your time to say how absolutely thrilled we are to have your child in our room and to welcome you and your youngster to our fifth grade classroom.

We will send another letter at the start of the school year, outlining our goals and expectations for your child. This letter is to give you a list of the supplies your child will need at the start of the school year. Please have all of the supplies no later than the first day of school, Tuesday, September 3, 2019. Additionally, we are asking that you check your child's supplies weekly and replenish as needed. It is imperative that your youngster has these supplies from September to June. We are committed to helping each child do his/her best, but that simply cannot happen without your help and the correct materials.

Please feel confident in knowing that we are here to provide your child with the best educational experience possible. The most successful way for that to happen is for us to work together as a team. We look forward to working with you and your child for a very successful and exciting school year! Have a safe summer.

Sincerely,

The Grade Five Teachers
