

THE SCHOOL DISTRICT OF PHILADELPHIA

John Hancock Demonstration School **School-Parent Compact**

School Year 2021-2022

Revision Date:

5-14-21

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents, students, and staff of the John Hancock Schools partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in early Spring of each year to review the compact and make suggestions based on student needs and school improvement goals. This year, the parent input meeting was held with parents through virtual platforms on May 6, 2021. Parents are also encouraged to participate in the School Family Engagement survey that is also used as a tool to collect parent feedback regarding the current Title I programs, policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

[The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.](http://www.philasd.org)
